The image features a large, abstract geometric pattern composed of thin, light-colored lines that intersect to form various polygons. This pattern is overlaid on a textured, beige or light brown background that resembles a fine fabric or paper grain. The entire composition is set against a solid black background, which is visible on the left and right sides of the image.

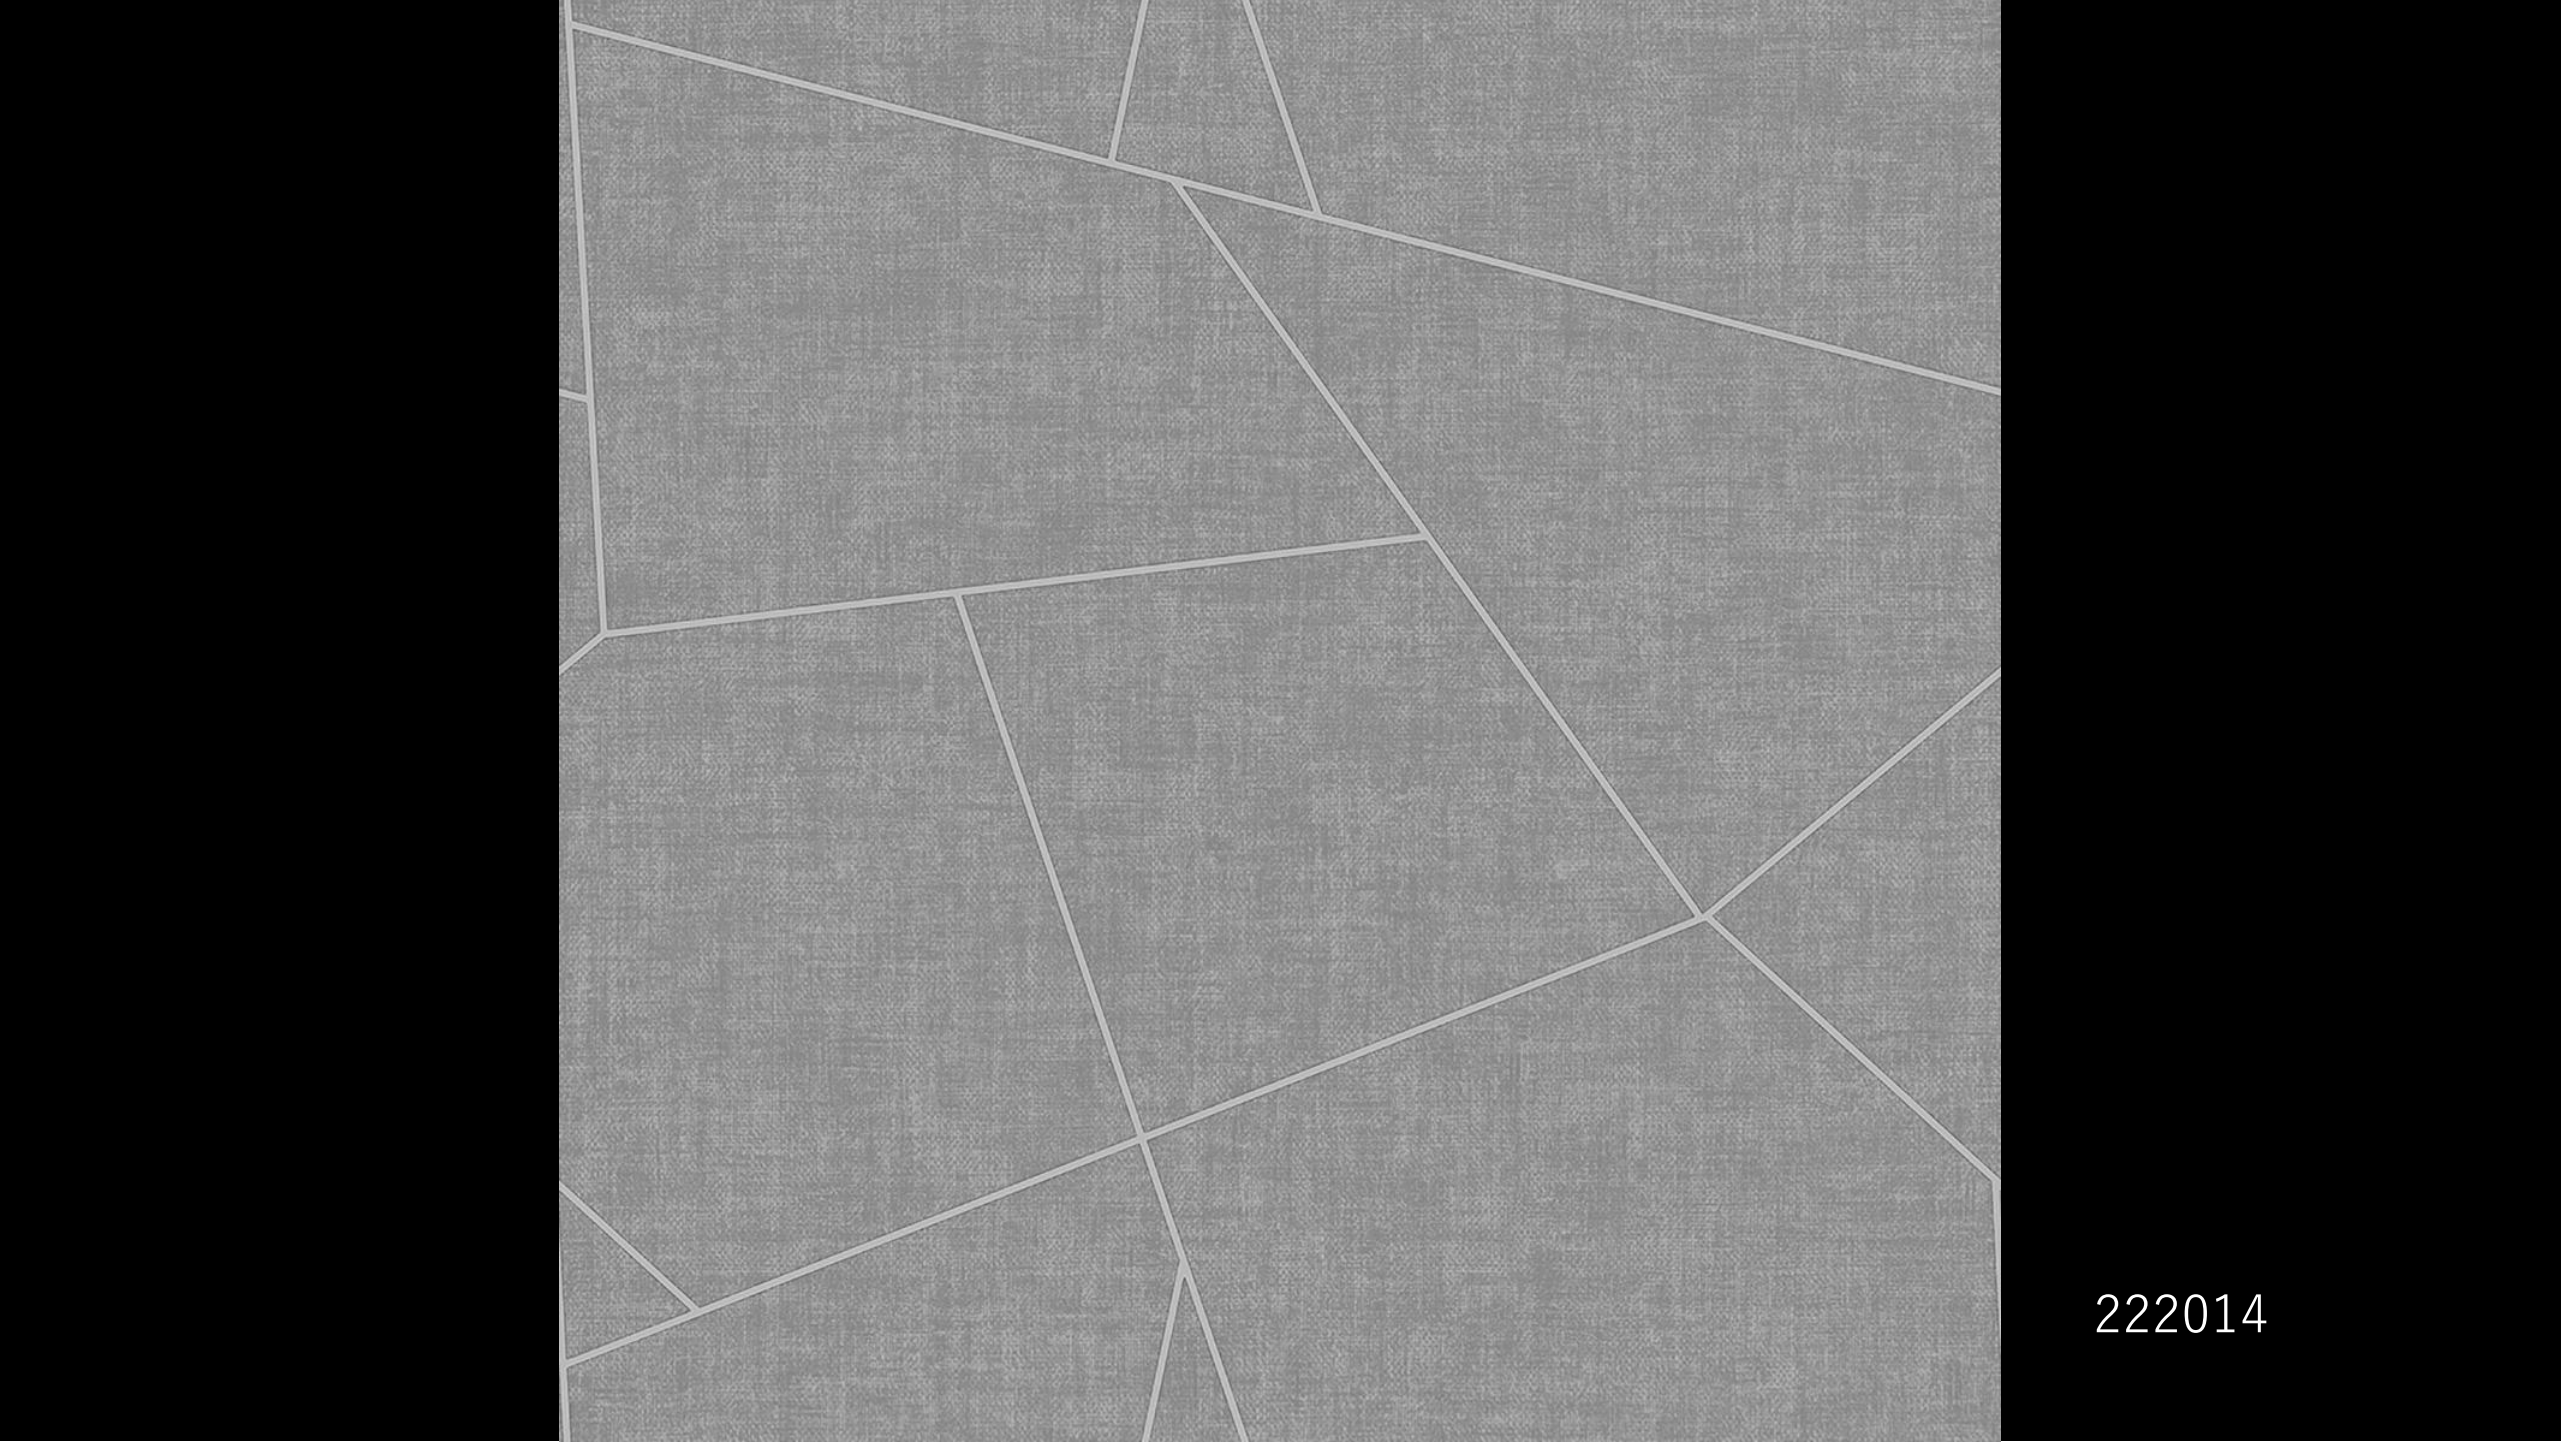

222011

222012

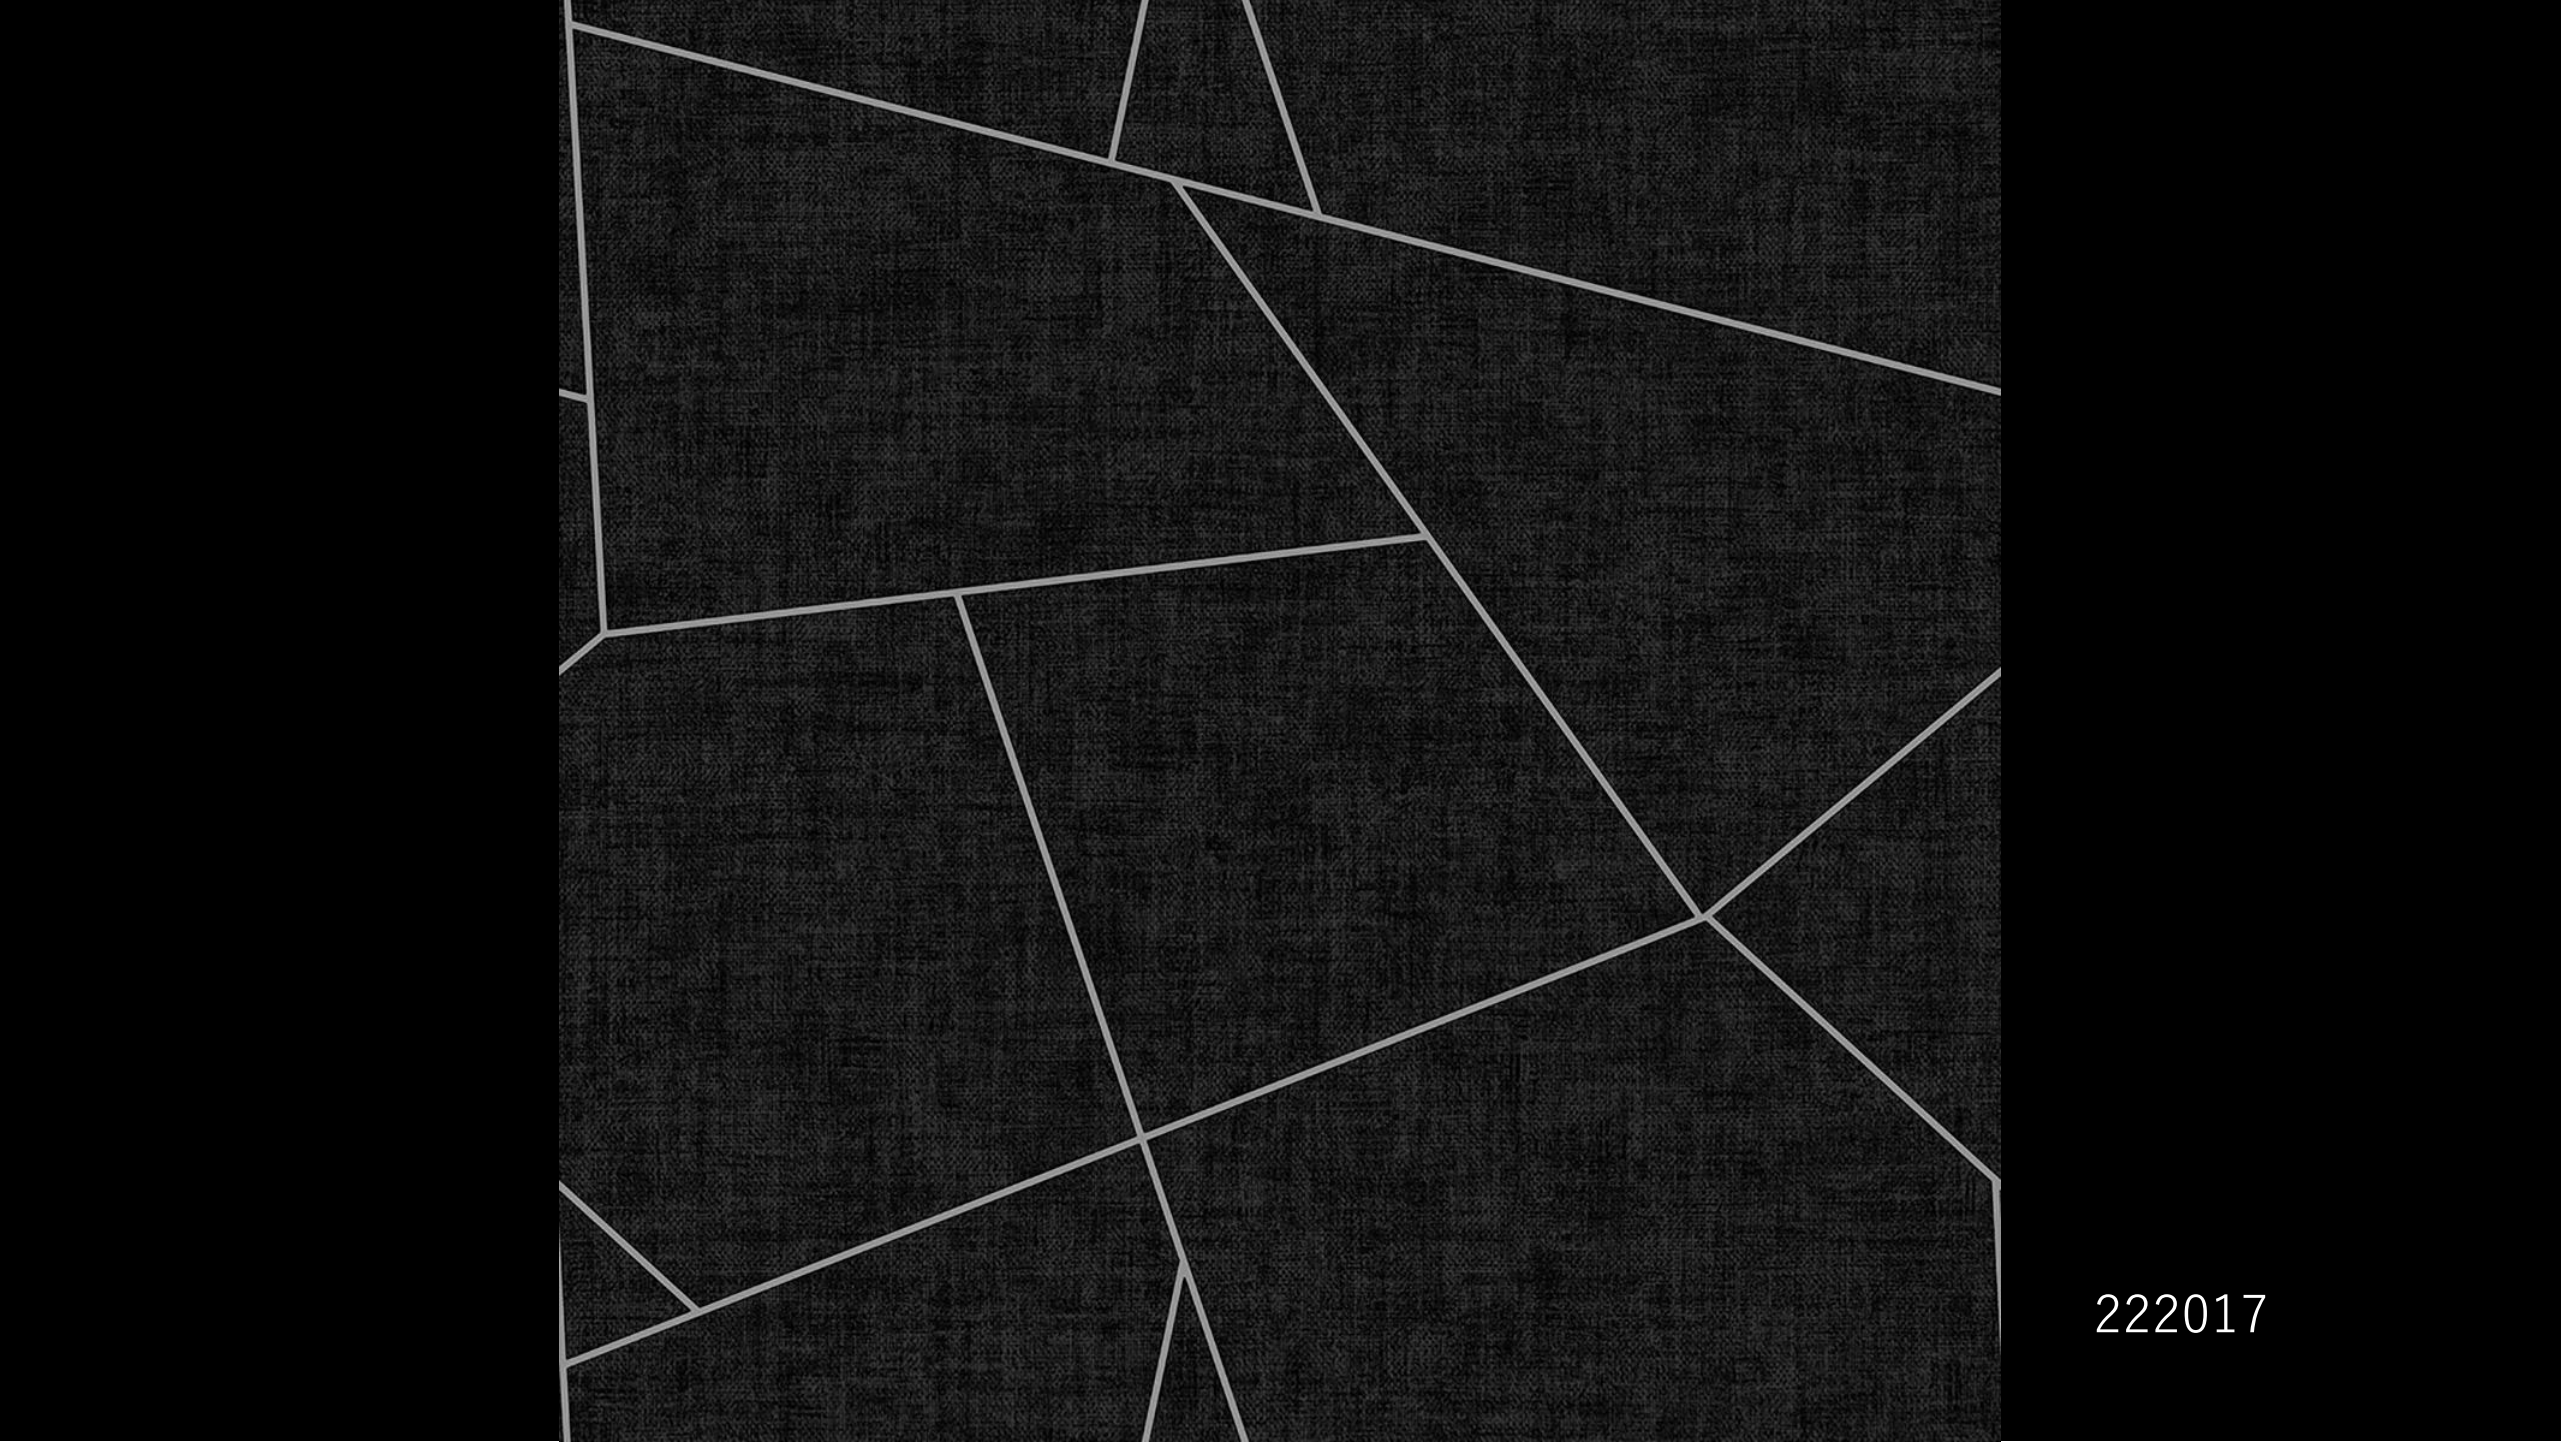

The image features a large, abstract geometric pattern composed of thin white lines that intersect to form various polygons. This pattern is set against a gray background with a fine, woven texture. The entire composition is framed by solid black borders on the left and right sides.

222014

The image features a dark, textured background, possibly a book cover or endpaper, with a complex network of thin, white, hand-drawn lines. These lines intersect to form various geometric shapes, including triangles, quadrilaterals, and larger polygons. The lines are not perfectly straight, giving the pattern a slightly organic or sketched appearance. The overall effect is a minimalist, abstract design.
